Subject: Meeting Request - Dow with USEPA-OPP Leadership

Hello Shannon – I spoke with Rick K. this AM about a couple of us from Dow AgroSciences coming in for a leadership meeting with Rick and some of his staff to discuss a new herbicide technology that our company has been developing.

Rick can explain more about the project and who he would like to invite from OPP. From Dow AgroSciences it would be just myself and Joe Vertin – our global business leader for herbicides.

Can you please see what time slots might be available? Our best timing would be during the week of September 11th.

I think one hour would be adequate to cover the topic.

Thanks for your work on this! Please let me know what times might work. If we need to look at a different week – just let me know.

Enjoy your weekend!

Best Regards,

Bruce Houtman

Thanks Shannon – Please sign us up for the 11:00 AM timeslot on Sept 14th.

If you could forward a meeting notice to me – it will help me manage the calendars here.

I'll get you an Agenda late the previous week.
